Deutsche Telekom has recently broadened its base in the US -this time in the field of research and development- by opening Deutsche Telekom, Inc. R&D Lab USA in Silicon Valley, California. The lab fosters collaboration with industrial and academic partners in the US, and encompasses fundamental research, as well as active prototyping and technology development. A broad variety of projects, for example in the areas of Clean Slate Internet Design, mobile platforms and services, and multimedia communications are currently underway. Employees are also engaged in a research project titled "Collaborative Research: FIND: NetSerV – Architecture of a Service Virtualized Internet", which receives funding from the National Science Foundation.
